Section 4. The Federation's staff will be allowed to visit work areas of the employees during work hours and confer on employment relations matters, provided that such visitations shall be coordinated in advance with Management and shall not unduly disrupt work in progress.

Section 9. Consenting employees may be relieved of duty during regular shift hours in order to offset overtime hours worked within the 40-hour workweek.

An employee on the volunteer call out list who accepts a call-out shall be placed on the bottom of the mandatory overtime and callout list.

Subsection 6. If the need to call-out for an unscheduled absence is not filled with a volunteer from the Voluntary Overtime List, the Correctional Officers on shift will be contacted for a volunteer to fill the shift. If placed in a mandatory overtime shift the Officer will be moved to the bottom of the list.

Subsection 10. Employees who cannot work a mandatory overtime shift upon request will be given 24 hours' notice to either volunteer for an overtime shift in the next workweek or work the next mandatory overtime shift. If the employee refuses the next requested mandatory overtime, they may be subject to disciplinary action for insubordination. Continued patterns of refusing to work a mandatory overtime shift will be dealt with through progressive discipline.

Section 12. Temporary employees. The employer may hire temporary employees to augment existing staff thereby relieving the overtime burden. These temporary employees will not be members of the bargaining unit. Six months after employment of the first cadre of temporary employees, the parties will discuss the status of these temporary employees. Management agrees to take appropriate steps to ensure notification to employees of the names and telephone numbers of the designated individuals. If the employee fails to give such notification, the absence may be charged to leave without pay. Absence in excess of one shift without receipt of proper notification by the Employer from the employee shall constitute just cause for immediate discharge, unless the failure to give such notification was due to circumstances beyond the control of the employee. In cases where employees are performing functions that will require a replacement, said employees will, if possible, notify Management of their absence at least four hours in advance of the beginning of the employee's shift.

Subsection 2. Sick leave utilized must not exceed the amount accrued by the employee. If an employee is ill and has exhausted his/her sick leave credits, s/he may utilize his/her accrued annual leave. Subsection 4. Discretionary leave is intended to be used as "incidental" vacation and may not be linked consecutively in order to generate a third or fourth week of vacation. Each bargaining unit member's available discretionary leave shall be based upon length of service or, in the case of non-consecutive State employment, leave accelerator hours, at the time the member's annual leave submission is received. In all cases, the total number of discretionary leave days available for use will be determined by the member's annual leave accrual. In accordance with this procedure, unused discretionary leave days cannot be carried over from one year to the next thereby increasing a member's available discretionary leave days above the values listed in the table below.

Section 5. LEAVE WITHOUT PAY. A leave without pay must be requested by the employee in advance, and Management shall then determine if the employee can be excused for the time requested. The employee shall use the standard leave request form. The approval or disapproval from Management shall be based on the needs of the agency, the reason for the request, and the employee's work record.

ARTICLE 12 - JOB SECURITY

Section 1. A probationary period shall be utilized for the most effective adjustment of a new employee and for the elimination of any employee whose performance does not, in the judgment of the employee's supervisor, meet the required standard of performance.

The probationary period shall last for six months. If the Employer determines at any time during the probationary period that the services of the probationary employee are unsatisfactory, the employee may be separated upon written notice from the Employer. The Employer may extend the initial probationary period 30 to 90 days by mutual agreement between the Employer and the Federation, when in the judgment of management an employee may satisfactorily complete the probationary period with a little more time. At the conclusion of the employee's probationary period, or any extension thereof, the employee shall obtain regular full time or part time status.

Section 2. The Employer may discharge any employee with permanent status only for just cause. The Employer shall furnish an employee subject to discharge or suspension with a written statement of the grounds and specific reason(s) for such actions and shall in addition notify the Federation of the removal of an employee for cause. An employee with permanent status may appeal his/her dismissal, suspension or other punitive disciplinary action through the grievance procedure. This in no way limits management's prerogative to lay off employees in accordance with Article 13.

Section 3. Employees who terminate their service will be furnished, upon request, a letter stating their classification and length of service.

ARTICLE 13 - SENIORITY

Section 1. Seniority means the length of continuous service with the agency since the last date of hire.

Section 2. Seniority shall cease to accrue during a period of layoff or leave without pay that exceeds 60 working days or after a permanent transfer out of the bargaining unit. Previously credited service, however, will not be lost and an employee who is recalled or transfers back into the bargaining unit will retain all prior seniority. If leave without pay is for active duty military service, seniority shall continue to accrue as if the employee were continuously employed during the leave.

Seniority shall be revoked upon termination, retirement, or discharge for cause.

Section 3. Seniority, qualifications and capabilities shall be the controlling factors in filling new or vacant permanent positions. In no case will seniority be given the least weight among these criteria. The weights used for filling particular positions shall be listed as percentages in the job posting.

Section 4. Qualifications, seniority and capabilities shall be the controlling factors in selection of employees for layoff among positions of the same grade and class by geographic location, as identified in the supplemental agreements.

Section 5. Recall from layoff shall be in reverse order of layoff. The Employer shall notify a laid off employee to return to work by sending a certified, return receipt letter to the last known address for the employee with a copy to the Federation and shall therein notify the employee that failure of the employee to notify the Employer of his/her intent to return to work within 10 calendar days of the mailing of said letter shall constitute a forfeiture of his/her right to return to work. Recall rights shall be limited to a period of two years following the date of layoff.

Section 6. No permanent employee shall be laid off while temporary or probationary employees in the same skill are retained.

Section 7. Layoffs within a class series shall be done on the basis of seniority. Employees in positions subject to elimination may assert their seniority to bump the least senior employee(s) within the same class in permanent bargaining unit positions for which they are qualified. These least senior employees may then assert their seniority to bump any temporary employees in positions for which they are qualified. Permanent employees who have been laid off will be placed in a layoff pool. Employees within the pool shall have preference for one year from the date of the layoff for recall into a vacant or newly created position for which they qualify in accordance with Article 13, Section 5.

ARTICLE 14 - VACANCIES AND PROMOTIONS

Section 1. The following procedures will be followed in the posting and filling of vacant or newly created permanent positions. The purpose of this system is to inform employees of vacancies and newly created positions and to afford employees who are interested and who feel they qualify an equal opportunity to apply for the vacant or newly created position. It is understood that newly hired employees and employees on a leave of absence for any reason may not have the same period of notice as other employees concerning position vacancies.

Subsection 1. When a vacant or newly created permanent position is to be filled, the Employer shall prepare a Job Posting Notice and send it to each respective bureau level area to be posted. The notice will be posted in a specific place designated for job opening notices and shall state where interested employees are to make application, and the cutoff date for application submittals, and the minimum qualifications.

Subsection 2. The Employer will ensure that all such applications be considered in the selection process. Members in the bargaining units who are unsuccessful applicants shall be so notified upon completion of the selection process.

Subsection 3. All positions in the bargaining unit, and those positions that immediately follow in a logical ladder shall be posted per the provisions of this Article for at least seven calendar days. However, Article 13 will not apply to positions not included in the unit. For Correctional Officers only, the posting period shall be five calendar days.

Section 2. Orientation of New Employees. It is the responsibility of the employer to provide orientation to new employees. Employees have the responsibility to assist in the provision of orientation. The Employer shall provide information on procedures and employee expectancy. MFPE stewards shall be allowed to conduct MFPE orientation with new staff during breaks.

Section 3. Employees who have been promoted or have changed shifts should have the right to return to their former position should they decide within two calendar weeks that they do not wish to remain in the new position. An employee may waive, in writing, their right to return to their former position.

Section 4. CO shift leaders shall not be required to test or interview for lateral transfer to a vacant CO shift leader position. However, bid for transfer to another CO shift leader position shall be based on seniority within the title. If there is a tie on seniority, seniority shall be based on a unit wide basis.

Section 5. Recreation officers will be selected through a competitive process. Security Officers will be selected through the bid book process.

Correctional Officer Shift Bid Book:

- A. The shift/days-off bid book shall be maintained and available to Correctional Officers and Correctional Counselors, so they have an opportunity to record their prospective shift and day off preferences. This book will be made available to all shifts and will be kept in a secure area.
- B. Correctional Officers and Correctional Counselors wishing to place a shift/day-off preference can do so by contacting the on-duty shift supervisor. In the presence of the on-duty shift supervisor, a Correctional Officer wishing to place a prospective bid for particular shift/days off shall legibly print his/her name, message phone number, and seniority date at the appropriate place in the shift/days-off bid book. The on-duty shift supervisor will initial the Correctional Officer's entry, along with the date and time. Employees cannot bid for shifts/days-off they hold.
- C. As shift/days-off openings occur, other factors being equal, vacancies will be filled on a seniority basis, from those Correctional Officers who have properly recorded their preferences in the shift/days-off bid book. The Superintendent/designee and an Federation Correctional Officer, Security Officer or Correctional Counselor with at least one year of experience at Pine Hills Youth Correctional Facility will be present at the time such selections are made.
- D. No name will be removed from the shift/days-off bid book, unless done and initialed by the employee and the on-duty shift supervisor, except under the following conditions:
 1. The Correctional Office or Correctional Counselor is granted his/her requested bid.
 2. The Correctional Officer or Correctional Counselor ceases to be a Correctional Officer or Correctional Counselor.
 3. The Correctional Officer or Correctional Counselor refuses to accept the shift/days-off

requested.

- E. Notification to successful bidders of their selection is accomplished by leaving a message on the message phone referenced in Subsection B above.
- F. Every six (6) months the bid book will be cleaned up and rewritten by a committee consisting of two bargaining unit members chosen by the membership and two management members chosen by management.

Section 2. Employees shall have one personnel file which shall be maintained in a central location at the facility. The personnel file will contain written material dealing with job performance, such as: written warnings, notices of suspension, and performance evaluations. An employee may respond in writing to any written material placed in his/her personnel file, which response may, at the employee's option, become part of said file.

Section 3. Unless otherwise established or modified in the individual supplemental agreements, the statewide performance evaluation system or another system approved by the State Human Resources Division shall be utilized by the Employer in the evaluation of employees covered by this Agreement. Supervisors shall receive training in the operation of the performance appraisal system before evaluating employees.

Section 4. When performance appraisals are prepared by the employee's immediate supervisor and the next higher supervisor, the results of the combined evaluation shall be transmitted to the employee in the form of a copy of his/her performance appraisal. The immediate supervisor shall discuss the evaluation with the employee and note by signature retained in the personnel file that the evaluation has been discussed with the employee. If the employee desires to submit a brief written statement in explanation or mitigation of any remark on the performance appraisal form, the statement shall be attached to the performance appraisal form in the personnel file.

Section 5. No information reflecting critically upon an employee shall be placed in the personnel file of the employee that does not bear either the signature or initials of the employee indicating that s/he has been shown the material, or a statement by a supervisor that the employee has been shown the material and refused to sign it. A copy of any such material shall be furnished to the employee upon request.

Section 6. An employee desiring that material which s/he feels is incorrect and should be removed from the personnel file of the employee, shall have the right to appeal it through the grievance procedure.

Section 7. Letters of caution, consultation, warning, admonishment and reprimand shall be considered temporary contents of the personnel file of an employee and shall be destroyed no later than one year after they have been placed in the file unless:

- A. such items can be used in support of possible disciplinary action arising from more recent employee action or behavior patterns or is applicable to pending legal or quasi-legal proceedings.
- B. they relate to client abuse, mistreatment, or neglect in which case they become permanent contents of the employee's personnel file, which can be used only in support of new disciplinary actions related to client abuse, mistreatment, or neglect.
- C. they are being used to support disciplinary actions taken on more recent employee actions or behavior patterns.

Section 8. Once removed from the personnel file, letters of caution, consultation, warning, admonishment, and reprimand older than one year may be retained in Employer files other than the individual's personnel file for limited purposes. The Employer may use such retained files to defend itself from litigation.

Section 9. Material placed in the personnel files of an employee without conformity with the provisions of this Section will not be used by the Employer in any subsequent evaluation or disciplinary proceeding involving the employee.

Section 10. Management Support of Employees. If an employee is charged by a juvenile with improper behavior or a violation of rule or policy, the subject employee shall be notified by management of the charge. If the employee claims innocence, the employee shall be deemed innocent unless evidence is presented which is in opposition to the employee's account. In such an event, the employee shall be entitled to process the matter through the grievance procedure.

Section 2. The Employer shall ensure reasonable access to the Federation and each employee an up-to-date policy of its rules, regulations and policies on employment related matters. The Federation shall be notified of any proposed changes or additions to personnel rules, regulations and policies issued by the Department of Administration and the individual departments, sufficiently in advance to allow discussion and comment by the Federation.

Section 9. It is understood that each employee in the bargaining unit has the general responsibility to monitor and instruct individuals in their charge. However, it is agreed that no employee will be charged with any duties and/or responsibilities that are normally reserved to licensed health care professionals. This does not release any CO or any other bargaining unit member from any normal, regular care function.

Section 10. Management shall not track the employee's use of state phones for local calls unless there is reason to suspect abuse of state time for personal business.

Section 11. Management shall make a good faith effort to provide the employees in the unit with in-service and out-service training including Non-Violent Crisis Intervention and Department approved Defensive and Use of Force tactics and shall provide the employees with a current policy manual on matters which directly affect the employees. Training shall be contingent upon available funding. An agency in-service training committee will be appointed by the superintendent consisting of specific staff persons which shall assist in the development of a training plan.

It is understood and agreed that training needs are a high priority, particularly when associated with new job requirements. Management agrees that such training will occur before new programs are implemented, or as soon thereafter as possible.

Their seniority date is their original date of hire and they are to be part of a separate group (security) for vacation scheduling purposes only. They will be assigned shifts and duties as determined by PHYCF management. Security officers will be selected using an in-house recruitment process. Correctional Officers applying for and awarded Security Officer positions and Security Officers applying for and awarded Correctional Officer assignments will serve a two calendar week trial period during which they have the right to return to their former position should they decide they do not wish to remain in the new position. Management reserves the right to evaluate competencies during this same two-week period to determine the employee's fitness for the position. If an employee is deemed unfit through failure to demonstrate necessary competencies, management may deny the transfer and employee will be placed in his/her previous position.

Section 15. Audio or video surveillance equipment is installed for safety and security purposes. Where evidence warrants further investigation of violations, infractions, or inappropriate behavior, any disciplinary action is subject to the grievance procedure.

Section 16. Management shall make a good faith effort to comply with nationally recognized standards as to caseloads and shall attempt to restrict a bargaining unit member's caseload to no more than 20 active cases. Bargaining unit members shall have input into consideration of their caseload assignments. ARTICLE 20 - SEVERABILITY

Section 1. In the event that any provision of this Agreement shall be declared invalid at any time or unenforceable by any court of competent jurisdiction or through government regulations or decree, such decision shall not invalidate the entire Agreement, it being the expressed intention of the parties hereto that all other provisions not declared invalid or unenforceable, shall remain in full force and effect.

ARTICLE 21 - ENTIRE AGREEMENT

Section 1. The parties acknowledge that during negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to

any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Therefore, the Employer and the Federation for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter specifically referred to or covered by this Agreement. This Article shall not be construed to in any way restrict parties from commencing negotiations under Article 1, or under applicable law on any succeeding agreement to take effect upon termination of this Agreement.

Section 2. The parties recognize the right, obligation and duty of the Department of Administration and its duly designated officials to promulgate rules, regulations, directives and orders from time-to-time as deemed necessary insofar as such rules, regulations, directives and orders that effect the members of the bargaining units covered by this Agreement are not inconsistent with the terms of this Agreement or any supplemental agreements to this Agreement and are not inconsistent with the laws of the State of Montana and federal laws.

ARTICLE 22 - PAYROLL DEDUCTIONS

Section 1. In addition to the monthly dues deductions authorized in Article 3 of this Agreement, bargaining unit members shall be allowed to authorize Management to deduct from their pay checks such amounts that they desire in order to participate in programs that have the prior approval of both Management and the Federation.

ARTICLE 23 - TERM OF AGREEMENT

Section 1. This Agreement shall be effective as of the 1st day of July 2019 and shall remain in full force and effect through the 30th day of June 2021. If one of the parties desires to modify this Agreement, it shall give the other written notice of its intent to do so. In such case, the parties agree to give written notice not sooner than 120 and no less than 90 days prior to the expiration date and agree to meet no later than 90 days prior to the expiration date in order to renegotiate this Agreement. It is also agreed that the Employer and the Federation will meet to reopen negotiations in sufficient time to permit adequate negotiations on economic matters. The Federation shall have the right to engage in concerted activity after December 31, 2020, for matters pertaining to wages and economic benefits in the 2021 biennium.

ARTICLE 24 - NO STRIKE/NO LOCKOUT

Section 1. During the term of this Agreement, neither the Federation nor its agents or representatives will cause, sanction, or take part in any strike or any other interference with the operation of the Employer's business, except as provided in Article 22.

Section 2. During the term of this Agreement, there shall be no lockouts by the Employer.
